Bus Services in the Southern region

The routes shown in this guide make up the service network of Sydney Buses in the Southern region of Sydney.

- Routes are designed to cater to travel demands in the region. Routes with numbers in black are full time services and operate everyday and at regular intervals. Routes with numbers in red operate less frequently, generally weekdays or peak hours only. Please check your route timetable on line at www.sydneybuses.info or phone 131500 before you travel.
- Bus routes serving major commercial centres like Circular Quay, Railway Square or Rockdale stop at different bus stops within the area. Most bus stops with shelters show the routes that stop there and the timetable of services. Please check which bus stop is served by the route you intend to take. Check the destination shown at the front of the bus before boarding and if unsure, ask the driver.
- A number of our services connect with CityRail, Sydney Ferries and private buses services for trips within the Southern region, to and from the City and beyond. Phone 131500 for timetables, trip planning or fare information.

Wheelchair Accessible Bus Services

There are a number of wheelchair accessible buses operating in this region. These are indicated by the wheelchair accessible symbol alongside the route number. However, we cannot guarantee the use of these buses on all routes at all times. If you require the use of one of these buses, please phone 131500 or check the individual timetables.

Help your bus travel on time

- Use TravelTen or the correct change for your fare.
- Take the nearest seat available.
- Exit from the door nearest to you.

Sydney Buses
Safe, Clean & Convenient

Welcome Aboard

Every working day across Sydney, our fleet of buses carry over 600,000 passengers on 300 routes to their destinations, safely and conveniently. Many services go to the City which save commuters from the hassles of traffic, parking, bridge and tunnel tolls and for connections to other destinations.

How to use this guide

1. On the map overleaf, identify the bus route(s) that run nearest to where you are or where you plan to go. A list of suburbs, shopping centers, points of interest and other destinations will help you to navigate your way around the map. You can follow the colour-coded route line on the map to see the areas covered by the route. Or for a quick reference, a list of routes and the areas they pass through is also in this guide.
2. If your destination is outside the Southern region, you can identify the route which can take you to the City or the nearest suburb where you can connect to other services. Please refer to other Sydney Buses region guides (Eastern region, Northern region, and Western region) for bus routes operating in these regions.
3. If you are not sure how to get to your destination, use the Trip Planner on the Transport Infoline website www.131500.com.au. You can also phone 131500 between 6am and 10pm for transport inquiries or to give feedback. If you need copies of timetables, you can print them as a pdf file from www.sydneybuses.info or get them from any TransitShop in the City (shown on the Sydney CBD bus service insert overleaf) or from ticket agents (usually newsagents) identified by the yellow Sydney Buses Ticket Stop sign.

Fares & Tickets

Sydney Buses has a range of tickets to suit just about every journey type you would like to make. We recommend that you get a multi-ride ticket 'off the bus' to save you time and money and help speed up your service.

- **Cash Fares.** If you are using our service for the first time, it is easier to tell the driver your destination and he will tell you the fare. To assist the driver, please have loose change available and ready for payment.
- **TravelTens.** TravelTen is a 10-ride ticket which remains valid until all ten rides are used. You will save time and up to 20% off single fare.There are 5 types depending on the number of sections you travel (sections are shown on the route map in the timetable). TravelTens are also transferable and can be used to pay for travelling companions.
- **TravelPass.** If you use the bus and ferry a lot or for trips of various lengths over a seven-day period anywhere within the Orange and Blue zones shown on the map below, an Orange TravelPass can be cost effective and convenient. The ticket permits unlimited travel on Sydney Buses and Sydney Ferries (except JetCat and cruises) within the areas mentioned for seven consecutive days. Simply dip the ticket in the green machine on board buses and/or ticket barriers at Sydney Ferries wharves and you can hop on and off the services for work or leisure.
- **Other tickets** are available including TravelPasses with rail travel, DayTripper and Pensioner Excursion Ticket (PET). For details, please visit www.sydneybuses.info, phone 131500 or refer to Sydney Buses Ticketing Guide.

TravelPasses and TravelTens are available from TransitShops (except at Railway Square), railway stations and ticket agents.

Whatever ticket you use, please retain it through your trip as you might be asked to show it to our revenue protection officers. There are penalties for fare evasion. Your ticket can also help track any lost items on our buses.

Buying your ticket from the bus driver slows down the service and delays travel for everyone. Most people who ride Sydney Buses buy a TravelTen or TravelPass ticket from a ticket reseller before they travel. This saves them money and speeds the bus service for everyone.

Buy your TravelTens or TravelPasses from selected newsagents where you see the yellow Sydney Buses Ticket Stop sign or at CityRail stations.
