- PrePay can save 20% or more compared to single ride fare.

PrePay and save!

We have converted the bus stops along Railway St and Victoria Ave on the westside of Chatswood Interchange to prepaid ticket-only bus stops to speed up passenger boarding time and help improve the on-time reliability of bus services from this interchange.

- PrePay Only operates from Monday to Friday, 7am to 7pm.
- No tickets are sold on the bus. Please buy your ticket before you travel. Ticket resellers nearest to the bus route are listed in this brochure.
- Remember: prepaid bus tickets can also be used on other Sydney Buses services.

PrePay tickets include:

TravelTen

- Ticket with 10 rides – save 20% compared to single ride tickets.
- Can be kept indefinitely – expire only after 10 rides have been used.
- Can be used to pay for a companion – just dip the ticket twice.

- Unlimited travel* (including transfers) over seven consecutive days on Sydney Buses, CityRail and Sydney Ferries regular services within the zone(s) covered by the ticket.
